Ms. Rosen,

We, at NEW Academy Canoga Park, would like to graciously thank you for the 5 bookcases. They are beautiful and sturdy bookcases!

Your donated bookcases will help us organize and maintain our testing materials, documentation, and curriculum in our resource room and 3 classrooms. We have many binders and materials that need to be organized and the teachers have literature books they would like to store. The bookcases will definitely help!

We are very fortunate to come across the organization, LA SHARES, which can help us build our school resources through donations from generous people like you.

We thank you for promoting a "Green" environment!

Sincerely,

Patricia Gould
Principal at NEW Academy Canoga Park

Dear Ms. Wesley

Thank you for your generous gift of the two small wood bookcases, the large bookcase and the nice beautiful wood work table that we absolutely love! Thank you for your donation to Foshay Learning Center through the L.A. Shares Program. The table is being used in our new middle school career room and it already is being used.

It is such a wonderful opportunity to be a part of the L.A. Shares program and have the connection with your organization. Thank you for giving me the information about all of your programs for students who are ill. We cannot thank you enough for belonging to such a wonderful organization such as L.A. Shares, which helps to match local schools with companies and colleges.

We appreciate your kindness and thoughtfulness in reaching out to schools during a time when funding is scarce. These items were so much needed!! I will stay in contact with you.

Thank you again for being a part of L.A. Shares Program and helping to place much needed items into our school!

Dear Susan,

Thank you so much for your generous donation through LA Shares! Donating a curved office desk to a small theatre may not seem like a big deal to you, but for us it has a huge impact. Because of your donation, we can optimize our box office space to better serve our patrons and program clients. Not to mention, receiving a donated desk helps us to save our funding for our main mission: creating provocative art that educates and inspires. Your donation is supporting more than just plays, its changing lives. So thank you for being a part of the LA Shares network and helping 24th Street Theatre and other Los Angeles non-profits with your donations!

Thank You So Much!
